Data Science Internship Policy

The Data Science Internship Program lasts six months. Interns work 40 hours per week and receive a monthly stipend of Rs 20,000. Responsibilities include data cleaning, exploratory data analysis, feature engineering, model training, dashboard creation, report preparation, and participation in weekly team meetings. Interns are entitled to one paid leave per month.

Employee Handbook

Employees work from 9:00 AM to 6:00 PM. Full-time employees receive 24 days of paid annual leave. Remote work is allowed up to three days per week with manager approval. Performance reviews occur every six months. Health insurance coverage is provided to all full-time employees.

IT Support Manual

Passwords must be changed every 90 days. Multi-factor authentication is mandatory. Critical incidents must be resolved within four hours. Standard incidents must be resolved within twenty-four hours. VPN access is required for remote work. Company laptops are replaced every three years.

Company FAQ

The Data Science team uses Python, SQL, TensorFlow, PyTorch, Scikit-Learn, Tableau, and Power BI. Employee benefits include health insurance, annual leave, learning budgets, wellness programs, and flexible work arrangements.

Learning and Development Policy

Each employee receives an annual training budget of Rs 25,000. Certification fees are reimbursed after successful completion. Technical workshops are conducted quarterly. Employees are encouraged to complete at least two certifications annually.

Project Management Guidelines

All projects follow Agile methodology. Sprint duration is two weeks. Daily standup meetings are held at 10:00 AM. Sprint reviews and retrospectives are conducted at the end of each sprint.

Finance Department Policy

Expense claims must be submitted within 30 days of expenditure. Budgets are reviewed quarterly. Annual audits are conducted by external auditors. Procurement requests above Rs 100,000 require management approval.

Customer Support Operations

Customer support operates from 8:00 AM to 8:00 PM. High-priority tickets receive responses within one hour. Customer satisfaction surveys are sent after issue resolution.

Security Policy

Employees must complete annual security awareness training. Confidential information must not be shared externally. All devices must use endpoint protection software.

Remote Work Policy

Employees working remotely must use company-approved VPN access. Work devices must be locked when unattended. Sensitive files should only be accessed through secure company systems.
